

“WYNDHAM”

561 ACRES

PRICE: \$2.3M

“WYNDHAM”

"FOR SALE" for a limited time only: "WYNDHAM" consists of 561 acres of clean and green cattle country suitable for breeders or back grounding & fattening steers or heifers.

The rolling hills are covered with Kikuyu and natural grasses and the property is renowned for producing quality steers and weaners for many decades.

The property is watered by two creeks, 7 dams, some spring fed and is subdivided into 7 grazing paddocks and all the fencing is in very good condition.

Improvements include a fully equipped set of stockyards & outbuildings.

"Wyndham Valley" is located only 20 minutes North West of Kyogle and runs up to 180 breeders.

NOTE: The owner has put this unique property on the market, for a limited time only so if you require one of the best breeder farms in the Northern Rivers & North Coast area, then please do not hesitate to arrange an inspection now.

For an inspection contact Mike Smith 0413 300 680
