Country

The property features the fertile flats on Lynch’s Creek and the creek system rising to a series of plateaus and shelves. The natural rainforest and watercourses throughout the property typify the beauty of the region. Kikuyu, Paspalum and natural grasses are present with Rhodes grass having been introduced in recent years. The land is subdivided into 9 grazing and horse paddocks. The fencing is in very good condition.

Carrying Capacity

Approx. 60 cows and calves plus horses

Services

Rural power, mail service, telephone, satellite TV and internet, School Bus to Kyogle and Wiangaree. Kyogle has all the services of a major service centre including banks, rural merchandise suppliers, hardware, local hospital and medical facilities. Sporting and recreational facilities. A system of 24 solar panels supplements the power supply cost.

Rainfall and Water

Annual rainfall historically more than 1,500 millimetres (60 inches)
A fully equipped bore services the home, gardens and stock water. Water is pumped to two header tanks, then the water is gravity fed down to taps and troughs. There is another solar powered bore system servicing 2 water troughs on the higher plateaus with a line down to the house. There are numerous springs traverse the property with 660 metre frontages to Lynch’s Creek being the main source of water on the southeastern boundary.

The Offering: includes all improvements on 247 Acres of well-balanced grazing and lifestyle country. “Winnaburra” is located only two properties away from the Border Ranges National Park entry (www.nationalparks.nsw.gov.au/visit-a-park/parks/border-ranges-national-park), which includes Sheep Station Creek, Brindle Creek, The Arctic Beech Tree and of course, The Pinnacle, all within an easy drive, ride or walking distance of this unique property.

The house features walls of Red Cedar and Rosewood plus polished Teak flooring, high ceilings, manicured gardens and trees with outstanding views of the nearby mountain ranges.

Lynch’s Creek flows out of the National Parks and is always has crystal clear waters. The property lends itself to Farm Stays, B&B, Clamping, Camping, Bush Walking, Mountain Bike Riding, Horse Riding & Breeding, Livestock Breeding, swimming & kayaking in the crystal-clear waters of Lynch’s Creek on a hot day.

Comment: “Winnaburra” is certainly a property that offers many opportunities to live, work and enjoy the peaceful surrounds of Lynch’s Creek. Its proximity to Brisbane, The Border Ranges National Parks and the Gold Coast put it well in front of most properties.

All the improvements including the house, sheds and fencing, are all in excellent condition and the paddocks are well suited to all types of livestock. The house would suit a large family, or B&B and sheds could be utilised into Farmstay, camping or storage. There is plenty of room to build cabins on an elevated ridge and they would have panoramic views of the Border Ranges.

This versatile, unique property is on the market for \$2.5m which is well below the replacement cost.
